KurzbeschreibungThe men of the wolf shifters are all strong, but only a few are Alpha. Wade, Simon, and Julian are such men, shifters of power as well as dominance. In this world of magic and mythical beings, they must protect their women as well as their pack. Unfortunately for them, their women are just as powerful as well as determined to keep their men safe. With a rogue Dark Witch on the loose the Alphas must figure out a way to safeguard the pack and destroy the evil bent on the destruction of one shifter clan and taking control of the other. These are the Alphas. And they inspire fear in all who know them.
