automatically fall in love with them. Rekkus Duteigr had a job to do, a job he loves. He was hired by the Syndicate to protect Cyrus Rowan by being his bodyguard. Being that there was quite a demand for Cyrus's skills that he perfected over the years, with Rekkus by his side every time some sort of accidents would happen. Then the Big One happened and because the assassins wanted Cyrus to pay they wanted him to suffer he lost part of his family, that was the moment that Cyrus sank and couldn't get back up, to go on. All this time, Rekkus stood by him so when the island became available they begged Rekkus to stay. And so, he did, he had all the magic he could get at his disposal so that the island was protected. People of all walks of life came to this island and Rekkus' duty was to protect them at all costs, because they were human. Dana Stone came with Jessie because she had to, being that she made several life decisions and realized at the last minute they were wrong, giving thanks to the higher up, and maybe it was at the last minute and having her whole family so mad at her, BUT she did the right thing. So here she was for one whole week and the people promised that she would leave the island very relaxed and at peace. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung The last of his kind Rekkus is the last of the great Black Tiger weres, and he's happy to stay that way. Working as security for the Wiccan Haus, a magical spa for inner healing, he has enough danger to keep him busy. Unfortunately, the Fates are not content with him being comfortable. Alone and discouraged Dana has walked away from everything her fiancé, family, job, and apartment. A stay at the Wiccan Haus may be the only way she can move on. But what she finds isn't what she expects, nor is it what she thought she'd been seeking. If they can open themselves up they might discover that being together can be better than being alone and learn that passion can burn in those who least expect it. Meet the unusual residents of the Wiccan Haus. The staff can get a little hairy, and not all of the guests eat what's served in the dining hall. But the Rowan siblings do what they can to make the resort a place of healing and peace, using all of their years of practice. At the Haus, where humans and paranormals reside side by side, everyone in need of the services are welcome. If some happens to fall in love then all the better. Welcome to the Wiccan Haus.

ber den Autor und weitere Mitwirkende Award-winning author Dominique Eastwick grew up a US Navy Brat, so if there was a naval base, that was probably home. She currently resides in North Carolina with her husband, two children, crazy lab and lazy cat. Dominique's love of reading started when she was told to read *To Kill a Mockingbird* in high school a book that opened her eyes to the joys of reading and entering into the world of the author. To this day she ranks this book as her favorite.
