But that didn't happen while consoling Melissa the girls decided to tell her about the site that they all met there Mates. And it all secret because their mates were Shifters, of course Melissa didn't believe them until she saw for herself and saw who was what type of shifter. Then while reading there profiles someone went into labor and the fun began.Dr. Harley made home visit so he came to deliver the shifter baby. He couldn't believe his luck Melissa was there in the flesh. She was beautiful in High School but now she made him speechless. He knew she would hate him if she knew the truth about Dr. Harley.
