Von Amy Lane : Shiny! (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shiny! (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. So shiny :)Von SunneClear 4,5 stars.It was sweet and cute and so "sigh"-worthy without being cheesy. It's Amy Lane and she has her own style. I think I could recognize it even without her name on the bookcover.The book is nearly angst-free. Okay, Kenny is more insecure than you imagined but on the other hand Will is really solid, his rock. I love how Amy

plays with words and it has a lot of funny word-creations and dialogues. Personally I loved the moment when Will jerked off to the cast of the Lord of the Rings, starting with the smallest and came when was at Pippin. Makes me wonder...Pippin before or after drinking Entwater..because that just would mean Gimli already made him hot :D I think I need to ask Amy that in her fb group. So, I loved it, it was a wonderful comfort read with all things shiny and I believe in Santa Claus...or at least in Will.

Kurzbeschreibung Will Lafferty and Kenny Scalia are both having sort of a day. Will gets fired for letting fifth graders read Harry Potter, and Kenny finds his boyfriend and his sex toys in bed with a complete stranger. When Will knocks over Kenny's trash can and strews Kenny's personal business all over the street it feels like the perfect craptastic climax to the sewage of suckage that has rained down on them both. But ever-friendly, ever-kind Will asks snarky Kenny out for a beer. God knows they both need one and two amazing things occur: Kenny discovers talking to Will might be the best form of intercourse ever, and Will discovers he's gay. Their unlikely friendship seems like the perfect platonic match until Will reveals how very much more he's been feeling for Kenny almost since the beginning. But Kenny's worried. Will's newfound sexuality is bright and glittery and shiny, but what happens when that wears off? Is Will's infatuation with Kenny strong enough to stay real?
