**Von Christy Hayes : Shoe Strings (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shoe Strings (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. berraschend gut!Von Laura PenningTatschlich wre ich beim Kauf von Shoe Strings nicht davon ausgegangen, dass ich das Buch spter so gut finden wrde, da sich zuerst alles nach einer 08/15 Story anhrt.Natrlich ist die Geschichte etwas vorhersehbar, dennoch schafft es Cristy Hayes mit ihrem Schreibstil und ihren verschiedenen Charakteren einen

grauen Herbsttag etwas bunter zu machen! Insgesamt also eine leichte, s geschriebene Geschichte fr zwischendurch, die mehr ist als, als das Cover verspricht!

Kurzbeschreibung After being hounded by her estranged father just as her boutique shoe business is taking off, Atlantans Angelita Barros heads for the mountains of North Carolina where she couldnt be a bigger fish out of water. The cabin she rents is perfect, but one look at the owners son and Angelitas in lust big time. She finds resisting the charming Jesse Bloodworth as difficult as maneuvering small town life in her custom made stilettos. Jesse has spent years rebuilding his relationship with his teenaged son and ex-wife after running out on them eleven years ago. But his dads not so quick to forgive and forget. The water under the bridge becomes mighty choppy when beautiful Angelita walks into their lives. Jesses ex, Kerri Ann, is a far cry from where she thought shed be in life. Even before she got pregnant with Ty, things between her and Jesse had faltered, and there was only one person to blame: Bryce Jenson. Kerri Ann never expected her long-ago crush to settle back into Sequoyah Falls to practice law. Hell, no one did. Bryce had his reasons for returning home and Kerri Ann was at the very top. They seem destined to remain just friends, until Angelita comes to town and stirs everything up. As Angelita and Jesse embark on a relationship, her fathers demands become threats and shes forced back to Atlanta. Jesses attempt to save her uncovers more of her past than he bargained for. Will Angelitas prince charming come to her rescue or does Jesses love come with Shoe Strings attached?
