Kurzbeschreibung Love's greatest champion has just become evil's fiercest foe. Trained in Heaven by secret sages; dismayed on Earth by evil men: a banished cupid commando battles to save both from a loveless oblivion. In the year 2034, Heaven's most lethal cupid commando, Captain Cyrus, is exiled to Earth where he is expected to die a quick and unlamented death. Instead, Cyrus sets out to remind both battered and faithless worlds that some things are still worth fighting for. Two worlds divided; one holy mission. A match made in Heaven; a love forged on Earth. Love is a battlefield. A genre-bending epic fantasy.
