**Von P.S. Power : Shortcuts (Other Places Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shortcuts (Other Places Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute EmpfehlungVon backapfelMeine Schwester hat mir empfohlen, diese story zwischen Mistress of Souls und Demon Trap der Keeley Thomson Reihe zu lesen: Keeley Thomson ist super aber Zacks verrckter aber liebenswerter Charakter schlg die Dmonin um Lngen. Ich bin gespannt, wohin der Linewalker noch geht.

KurzbeschreibungFifteen years ago a young boy was stolen from his home in Wisconsin, coming back sixteen months

later with no memory of what happened. It was a traumatic event that left him insane, but functional. If barely. Now Zack Hartley has to find a job or face starvation as the Christmas season approaches, which leads him to take a very special shortcut through a rift in space, to a very unusual shopping center. A place filled with supernatural creatures and dangers that he would never have imagined being in his own home town. If he can keep his job things might just work out though, even if he is the only human being in existence that can walk the Nodes that connect places without penalty. Luckily he has some friends to help him out. Like his roommate Troy, the girl that works at the shop across from the candle store... And the voice in his head.
