Von Marliss Melton : Show No Fear (Navy SEAL Team 12) before purchasing it in order to gage whether or not it

would be worth my time, and all praised Show No Fear (Navy SEAL Team 12):

Kurzbeschreibung FEAR HAS A WAY... Lucy Donovan always gets her man. As a fiercely independent CIA agent, she's survived hundreds of death-defying missions. But her latest may just get her killed. Weighed down with a secret she's desperate to keep, the last thing Lucy needs is to be sent undercover with a man who brings out the best--and the worst--in her. OF GETTING YOU KILLED Navy SEAL Gus Atwater never turns down an assignment, even if it means working with the only woman he's ever loved and lost. So with a volatile mix of desire and distrust, Lucy and Gus confront their tangled past. Pretending to be man and wife is risky enough, but now the clock is running out. As their mission escalates from desperate to deadly, will Lucy's secret expose them both? Pressestimmen RAVE REVIEWS FOR MARLISS MELTON AND TOO FAR GONE: "Tremendous...
