Von AJ Quinn : Show of Force (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Show of Force (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Coulda, woulda, shouldaVon nschaThe plot is okay but it doesn't go deeper as well as the characters and their relationship. Everything is very superficial. The main characters were likable but the sexual tension between them starts to develop

and then ... it's suddenly the next day and they had a wonderful time. The story would be great, you can feel the danger but something is always missing.

Kurzbeschreibung It should have been simple, but life has a way of getting complicated. When correspondent Tate McKenna broke her own rules and took navy pilot Lieutenant Commander Evan Kane home from an embassy dinner in Bahrain, she knew all the reasons why it wouldn't work. Long, unpredictable work hours. Extended absences. The dangers inherent in their jobs. Yet after being with Evan once, it was inconceivable she wouldn't be with her again. When they finally have a chance to get things right, danger follows them home from Afghanistan. Now, Tate and Evan must stand together in a show of force or risk losing everything including their lives.
