Von Lisa Swallow : Shuffle (Ruby Riot Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shuffle (Ruby Riot Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very lovely storyVon FlakyflakyThis is a very nice story about Will and Fleur. Like all Blue River Phoenix books I enjoyed it a lot, I even liked it better than Cadence (Ruby Riot Book 1) because the character of Will is awesome and also Fleur is great, although I was kind of irritated by her initial choice of men. The book can be read as stand alone, there

is not too much reference to the other stories, apart from one scene that might be interesting for all Jax and Tegan fans.

Kurzbeschreibung An opposites attract romance from USA Today bestselling author Lisa Swallow. British rock star Will and his twin Nate have swapped identities before, and nobody knew. Nothing can go wrong if Will pretends to be Nate for a few weeks. Can it? Will Campbell, Ruby Riot bassist, is back at university and failing badly at everything apart from partying. He needs major help if he wants to pass his final year, so attempts to join a not-very-rock star study group. One problem: the person organising the group is Fleur Roberts.
