Von Jack Tindale, Tom Black : **Shuffling The Deck: Britain's Prime Ministers, but not as you know them (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shuffling The Deck: Britain's Prime Ministers, but not as you know them (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. British political history completely out of orderVon Nigel WaiteThis book is an alternative history of post WWII Britain with the same Prime Ministers as reality but not in the same order. While it certainly is "a bit of fun", it also offers an interesting view on the Great Man theory of history. Having different people in charge certainly changes how British (and indeed world) history evolves, but in the end the reputation of each Prime Minister depends upon events outside their control.A great start for this young publishing house. I look forward to many more.

KurzbeschreibungThey're Prime Ministers. But not as we know them.Once called 'the most intellectual parlour game around', alternate history doesn't have to be about Nazi zeppelins and steampunk empires. In this dry and witty re-imagining of post-war British politics, the authors take turns to place a familiar Prime Minister in an unfamiliar environment. James Callaghan, the darling of post-war prosperity and Britain's first 'television PM'? Anthony Eden, the hero who won the Second World War? To say nothing of the place in the history books held by Margaret Thatcher...A self-styled 'bit of fun', Shuffling The Deck is nevertheless a must-read for alternate historians interested in whether circumstance is more important than 'great man theory' would have us believe. s"I have to admit that I'm not hugely versed in British politics, but this was an excellent and thoroughly enjoyable read nonetheless. It's a fun premise and exercise!"Shows that when you get the top job is more important than your personal behaviour... a great timeline." "Fascinating stuff throughout." "Bloody fantastic."KurzbeschreibungThey're Prime Ministers.
