**Von John Inman : Shy (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful romanceVon Querleser... between two young men with SAD. The story is funny, emotional, sad, wonderful, profound, entertaining ...Frank and Tom are lovely men, though the "getting to know"-part is skipped; sex and instant love in the beginning - but after their first time they have plenty of time where they really get to know each other and fall in love. After the beginning it is not a typical romance, but more like seeing the MCs living their

HEA. Only a few things I don't like that much about this book: - Frank's brother is a douchebag and it really is a bit shocking that even their father despises him. Is there a reason that Frank and his father are wonderful people and Stanley not? Or is it just like Joe says, that some people just can't help to be idiots? - There is lots and lots of sex in this book, though mostly in talks or thoughts. Is it possible that at any time one of the characters is aroused? But there is even more poop and thought about it. The sex scenes itself are nice. - This must be the most idiotic and less fitting book cover, so please don't judge the book by its cover! ;-)- I absolutely can't understand the character of Tom's ex Jerry. Yes, he cheated, then dumped Tom to be with Stanley and after over a year was dumped by Stanley and tries to win Tom back? Getting Tom fired and his other attempts to win Tom back are more than delusional. He really is only slightly more likeable than Stanley. But how could he and Tom have been a couple for 5 years? That just isn't realistic. Even Tom with his problems with meeting new people would prefer to be single to be with such an idiot. - I don't like Stanley's encounter with Samson, but being the idiot he is, I suppose it was the only possibility to prevent fratricide ... - Suffering from SAD finding someone with SAD as well, then falling in love and moving to the country to become a farmer is not really "living with SAD", but more avoiding people and living with animals. But for Tom and Frank it works out just fine, so even if it is not realistic or likely, here it is nice. Well, apart from these little flaws the book was fantastic and I really recommend to read it! You'll have fun!

1 von 1 Kunden fanden die folgende Rezension hilfreich. A pleasant surprise

Von B. Wissner I nearly didn't buy this book, but I'm very glad I did. Don't judge this book by its cover; if you can overlook this you'll be rewarded with a very well written book. It covers a lot of ground: character-development, many different forms of relationships, an insight in farming, and lots of love. And, not to forget, it's funny. Highly recommended.

Von SunneHm...how to rate this book? It was funny and entertaining. It also was very different from the other John Inman book "A Hard Winter Rain" that I absolutely adored. So...compared to this one it didn't make me swoon that much. But I really liked it.

Ha - okay, back to the book. I loved the whole story and enjoyed the internal ramblings so much, I laughed my ass off (ups, sorry). Basically the main reason I liked the book so much is the entertaining personality of the MC. So - definitely a book I'm going to reread when I want to smile. Now I hope Mr. Inman is going to write another book. I'm going to read it.

Kurzbeschreibung Dating is hard enough. Throw in an incontinent Chihuahua, an unrequited love affair, a severe case of social anxiety disorder, a dying father, and a man-eating hog and it becomes darned near impossible. Still, it takes two to tango and when Tom Morgan, a mild-mannered assistant bank manager with a debilitating case of shyness, meets Frank Wells, who is straight off the farm and even shyer than he is, sparks start flying. Just when Tom and Frank's burgeoning love affair is rolling along nicely, Frank must return to Indiana to oversee the farm while his father battles cancer. Tom tags along to help Frank out and finds himself slopping hogs and milking cows and wondering what the hell happened to his orderly civilized existence. And what's with all the chickens? Tom hates chickens! With Frank's help, Tom grits his teeth and muddles through. Funny what a couple of guys can accomplish when they're crazy about each other. Not even nine hundred chickens can stand in the way of true love.
