KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. SpannendVon BarbaraLondon ist zwar ein wenig zu naive aber es ist super geschrieben. Ich liebte die Passagen, die

aus beider Sicht wiederholt wurden. Freue mich auf den zweiten Teil. Hoffe er erscheint bald!

Kurzbeschreibung London Dante Marx is many things. Hes impatient, demanding, irrational, devious, and full of himself, just to name a few. Its impossible to ignore him because he refuses to let me. Regardless of his behavior, his temper, his passion, and his lies, I want him. This man is making me lose my mind, but Im ready to lose myself completely in him. Dante London is everywhere. Shes on my mind, in my face, and in my goddamn world. I dont want to want her, but I do. I want her more than my next breath. I dont know how to keep a woman like her because Im no Prince fucking Charming. I cant give her up, nor will I ever willingly do so. Shes my obsession my whole goddamn world, no matter how much of a pain in my ass she is. Nothing in my life will ever again make sense without her. 18+ Due to language, sexual content, violence, and drugs. This book contains an element of stalking, which some readers may find upsetting. 90,000 plus words Cliffhanger (2 book series)
