gripping story and plenty of twists. 1 von 2 Kunden fanden die folgende Rezension hilfreich. If you like disgusting... Von Tebasile... then this book is it. A great story, not the sugar-coated sissy stuff. The WARNING on the cover is there for a reason! "This is an extreme horror novel. It is not intended for those who are easily shocked or offended." Be aware: The name says it all! My recommendation: READ. THIS. BOOK!

Kurzbeschreibung WARNING: THIS IS AN EXTREME HORROR NOVEL. There is gore. There is bad language. There are scenes of a sexual nature. But hidden underneath it all is also a chilling story. Please do not purchase this book if you are easily shocked, disgusted or offended. This book is not for you. A family will do anything to survive after a nuclear attack has left their world in ruins. Actions which even surprise them... Although a stand-alone tale - for those of you who enjoyed the story of Sick Bastards, there is a second one in the series available here: [smarturl.it/sickERbastards](http://smarturl.it/sickERbastards)
