dieser Serie sind auch gut lesbar für Leute, die keine Muttersprachler sind. Relativ gute Englisch-Kenntnisse sind jedoch zu empfehlen. Für diejenigen, die sich auch ein bisschen für geschichtliche Hintergründe interessieren ist die Serie empfehlenswert, da man auch viel über die englische Oberschicht und das Leben zur Zeit King Edward's erfährt. Habe das Buch gebraucht gekauft und die Preis-Leistung ist wirklich top, obwohl das Buch aus UK geschickt wurde. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy Read Von Stampfl Anita It is a delightful story with some twists and turns. You even learn some tidbits about the time. Love her writing!

Kurzbeschreibung It would seem that even a pretend engagement cannot keep Lady Rose Summer from trouble. Bored with endless parties, teas and balls, she befriends Dolly Tremaine, a beautiful young girl newly arrived from the country and overwhelmed by the demands of the Season. Their friendship is cut tragically short, however, when Dolly is found dead in the river, with flowers in her hair and blood on her breast. Rose immediately summons her fiancé, investigator Captain Harry Cathcart, to help solve the mystery of Dolly's death - and to keep her from becoming the murderer's next victim. **Pressestimmen** If you missed the first novel in this series, get it right away. Snobbery with Violence introduced the Edwardian heroine Lady Rose Summer. Her second appearance is, if anything, even wittier and more amusing than the debut. (The Globe and Mail on Hasty Death) Once again Chesney has concocted an amusing brew of mystery and romance that will keep her fans turning the pages. (Publishers Weekly on Hasty Death) If you are a fan of well written traditional mysteries, Lord Peter and Albert Campion, you might want to try this series. (King the Evidence on Hasty Death) Light, amusing, easy to read and thoroughly delightful. (Tampa Tribune on Snobbery with Violence) Old hand Chesney (the School for Manners series and, as M. C. Beaton, the Agatha Raisin and Hamish Macbeth mysteries) maintains her charm and sassiness while indicting evergreen pomposity and class-status stupidity. (Kirkus on Snobbery with Violence) Combines history, romance, and intrigue resulting in a delightful romantic mystery. (Midwest Book on Snobbery with Violence) **Werbetext** Delightful Regency romance from the author of the Agatha Raisin series; now a major new drama from Sky 1
