Von Natasha Preston : Silence (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Silence (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I liked itVon Al-Khemet Book ClubSilenceI had a soft spot in my heart for the main character Oakley Farrell. Her silence didn't drive her mad or into an unstable depression as most folks I know with the condition and I found this inspiring. She is determined to just lead a very normal life and overcome any odds as she dares to love a young man she has known for a long while.My heart sank with the ruthless twist and turns the story began taking, after such a sweet and

wonderful journey, but in the end, this was the authors intention and its her story, not ours, we are the readers and reviewers and we either like it or dont. I liked it. The plot and how it turned out to be and how things developed towards the end and built up towards the sequel were masterful. It was nicely done, it was disturbingly good. The characters were believable and this is something that grabs any reader, they were exquisitely revealed and the story deeply moving and compelling with your favorite characters toward the end in jeopardy that excites and sinks hearts. It was a very good read. Al-Khemet Book Club, March 20150 von 0 Kunden fanden die folgende Rezension hilfreich. OK. Von Adrienne A Silence Natasha Preston Found this to be an OK story - there were no real twists or turns as the ending was fairly predictable.

Kurzbeschreibung For eleven years, Oakley Farrell has been silent. At the age of five, she stopped talking, and no one seems to know why. Refusing to communicate beyond a few physical actions, Oakley remains in her own little world. Bullied at school, she has just one friend, Cole Benson. Cole stands by her, refusing to believe that she is not perfect the way she is. Over the years, they have developed their own version of a normal friendship. However, will it still work as they start to grow even closer? When Oakley is forced to face someone from her past, can she hold her secret in any longer? *Silence deals with sensitive issues* Kurzbeschreibung For eleven years, Oakley Farrell has been silent.
