Von Andy McNab : Silencer: (Nick Stone Thriller 15) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Silencer: (Nick Stone Thriller 15) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. for true McNab fans very very disappointingVon Michael Veitsi ve read reviews of dissatisfied readers of other than Nick Stone Novels and had hoped that this will not be true for McNabs Stone-Series... how ever, in my eyes this is by far

the worst piece and not worth continuing to follow the series...(i ve bought/read every nick stone novel so far + the non-fiction pieces).whole passages are simply copied from older novels (something that could be seen in earlier stone-novels as well), but the shocking aspect is actually the boredom that evolves while reading that thing...an aspect that was increasingly a matter of dissatisfaction concerning the latest few stone-"thrillers". When I could not stop reading earlier books, i partly had to force myself with this one.One additional negative aspect...while one could dive into nick's world in the first books, could gain insights in specops procedures (sort of...you know what i mean) and later got some very ok information on different countries and its' problems, "Silencer" really did not manage to deliver convincing information, furthermore the author(s) did not succeed in properly weaving the "organ-trade" into Stone's story.Ultimately the reader (or at least I) can neither "feel and live" Nick Stone nor gain decent insights in today's political/criminal challenges of a globalized world.1 von 2 Kunden fanden die folgende Rezension hilfreich. gewohnt packendVon ReneNichts anderes haben wir erwartet, und wir wurden nicht enttäuscht.Gewohnt packend und gut gemacht. Man fühlt sich als wäre man dabei.Bis zum nächsten Buch.0 von 1 Kunden fanden die folgende Rezension hilfreich. Ein klasse BuchVon 22nd SASSeit längerem ein McNab Buch wie seine ersten Bücher.Sehr detailliert, erbarmungslos, lustig und kurzweilig.. . . .

KurzbeschreibungThe new Nick Stone thriller is classic McNab - authentic, pulse-pounding and utterly compellingNick Stone has always kept his job as ex-SAS trouble shooter at arms length from his home life. But when his son falls dangerously ill and the doctor who saves him comes under threat from an old adversary, it is no longer possible. Life just got very personal.To stop his cover being terminally blown, he must follow a trail that begins in Triad-controlled Hong Kong. He is propelled back into the brutal world he thought he'd left behind. The forces ranged against him have guns, helicopters, private armies and a terrified population in their vice-like grip. Nick Stone has two decades of operational skills but this time, that may not be enough'Authentic to the core' Daily ExpressWerbetextThe new Nick Stone thriller from the bestselling author of Bravo Two ZeroKurzbeschreibungThe new Nick Stone thriller is classic McNab - authentic, pulse-pounding and utterly compellingNick Stone has always kept his job as ex-SAS trouble shooter at arms length from his home life.
