Von Julie Kenner : Silent Confessions before purchasing it in order to gage whether or not it would be worth my time, and all praised Silent Confessions:

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Thrilling storyVon Detra FitchA stalker lurks in Manhattan, one that has a decided taste for historical erotica. He leaves explicit proof of his visits with his victims, but no one has been really hurt, yet.Coincidentally, a small bookshop that

specializes in such things has recently been robbed. Ronnie Archer, the ironically almost virginal proprietor, is a bit put out with the police, who she sees as ignoring her case. When she storms to the police station demanding answers, she is Detective Jack Parker's answer to a prayer. He needs to learn more about erotica to handle this Casanova stalker case, and Ronnie is the perfect teacher, even if he considers her a nerd and she finds him very irritating. Neither impression lasts very long, and it becomes unclear who is teaching whom, as Jack shows Ronnie that sex can be just as fascinating between the sheets as the pages. Just as their relationship heats up, the stalker elevates his crimes from harassment to murder, and the case comes very close to home. As the web of terror tightens, it becomes apparent that Ronnie is tied to the case, and Jack both fears for her safety and for the fact that she might be a suspect.***** In a novel worthy of James Patterson or Sandra Brown for its twists and turns, Ms. Kenner breaks out of any impression you might have of her as a lightweight writer. Your sweat will run cold with terror and hot with passion as the pages rapidly flip. Jack is a definite hunk, everything you fantasize about in a lawman hero. All I can say is "More, please," to Ms. Kenner. She definitely qualifies as a rising star. *****

Kurzbeschreibung Was it poetic justice or an education in obsession? Book shop owner Veronica Archer is eager to oblige when sexy detective Jack Parker shows up at her shop, seeking help on the stalking case he's working. Verses from Victorian erotica are being left for the victims, and Jack needs to interpret the clues; before someone gets hurt. Thankfully, Ronnie's an expert on naughty turn-of-the-century prose, but if she's going to play teacher, Jack will have to be a very dedicated student; With her own love life stuck in neutral, Ronnie's sensual studies have piqued her curiosity, and she wonders if reality can be as stimulating as fiction. She agrees to help Jack with his case, if he'll satisfy her wildest, most scandalous desires ; a request Jack has no problem accommodating. But the closer they get to each other, the closer the stalker circles in, leaving Jack to question if Ronnie is merely a very skilled scholar ; or the key to something far more sinister

Pressestimmen "Kenner writes a novel worthy of James Patterson or Sandra Brown for its twists and turns." -Huntress s "Kenner's characteristic flair for creating scorching love scenes and erotic drive make her one of the most memorable authors in the genre." -WordWeaving Kenner has a "flair for dialogue and...characterization." -Publishers Weekly "Julie Kenner's books [are] an autobuy." -All About Romance Kenner has a "flair for dialogue and...characterization." -Publishers Weekly "Julie Kenner's books [are] an autobuy." -All About Romance "Kenner writes a novel worthy of James Patterson or Sandra Brown for its twists and turns." -Huntress s "Kenner's characteristic flair for creating scorching love scenes and erotic drive make her one of the most memorable authors in the genre." -WordWeaving
