Von Jonathan Kellerman : Silent Partner: An Alex Delaware Novel before purchasing it in order to gage whether

or not it would be worth my time, and all praised Silent Partner: An Alex Delaware Novel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The very Best of the Alex Delaware Series!Von alarkins@earthlink.netI have read all of the Alex Delaware books by J. Kellerman to date, and am eagerly awaiting his next, but "Silent Partner" is the first one I read, and it was such good reading, it made me want more of this interesting character! I have since read all his fiction novels, and love them all, but still think "Silent Partner" the best. So many odd twists and turns, not even the best arm chair detective can anticipate the plot. It held my attention from first word to the last, and I hated to see it end. It was the book that hooked me on Jonathan Kellerman novels. You find yourself wishing that you knew Alex Delaware as a real person. But it is the mystery that captivates and keeps us interested.0 von 0 Kunden fanden die folgende Rezension hilfreich. My First Jonathon Kellerman NovelVon Ein KundeI picked this book up in a used book store and was amazed as much as I read that I haven't read Kellerman's books before. I was totally engrossed from the very first sentence. I am usually pretty good at figuring out "who done it" by the time I am halfway through the book, but this time I couldn't tell even after a peek at the ending. I went directly to the library and got three more of his books to read. I can't wait!0 von 0 Kunden fanden die folgende Rezension hilfreich. Jon, where did you go?!Von H. WymanOnce again, I felt that the true Jonathan Kellerman, mystery writer extra-ordinaire, was somehow absent as this book progressed. The whole plot revolved around a topic that I feel could have been used as a ho-hum side-story in a different text. The idea of "Good Twin vs. Bad Twin" didn't strike me as a well-developed plot here, although the book was, all-in-all, a very quick and interesting read.

KurzbeschreibungBONUS: This edition contains an excerpt from Jonathan Kellerman's Guilt.NEW YORK TIMES BESTSELLER At a party for a controversial Los Angeles sex therapist, Alex Delaware encounters a face from his own pastSharon Ransom, an exquisite, alluring lover who left him abruptly more than a decade earlier. Sharon now hints that she desperately needs help, but Alex evades her. The next day she is dead, an apparent suicide. A complex and haunting story of tangled personalities, deeply buried family secrets, and of violence lying thinly under the surface . . . hits the reader right between the eyes.Los Angeles Times Book Driven by guilt and sadness, Alex plunges into the maze of Sharons lifea journey that will take him through the pleasure palaces of Californias ultrarich, into the alleyways of the mind, where childhood terrors still hold sway.From Publishers WeeklyStricken with guilt over the suicide of a former lover, child psychologist Alex Delaware is driven to understand the circumstances that led to her death. "Kellerman bares a dark, brooding side of his appealing series' detective in this complex tale of guilt, greed and expiation," commented PW. Copyright 1990 Reed Business Information, Inc.PressestimmenA complex and haunting story of tangled personalities, deeply buried family secrets and of violence lying thinly under the surface LOS ANGELES TIMES Opens a family-sized psychological worm can (blackmail, madness, murder and nymphomania)...a "curdler" GUARDIAN Lots of violence and lots of sex, cleverly described THE TIMES An uncanny gift for perfectly placing each chilling revelation...the horror escalates BOOKLIST
