I love this new author!Von Ein KundeAfter reading another of this new author's books, I had to check out Silver Dreams. I wasn't disappointed. Max and Elizabeth are just wonderful together! The adventures of the Manhattan-bred hero and heroine in the Rocky Mountains are funny and exciting from beginning to end. Silver Dreams is a definite keeper.0 von 0 Kunden fanden die folgende Rezension hilfreich. I love this bookVon sis959@hotmail.comI read at least three romance novels a week, and this is one of the best I've read in a long time. I look forward to reading other books by

this author and I hope she keeps them coming.

**Kurzbeschreibung**A rollicking, turn-of-the-century romantic adventure. Follow well-bred, plucky, wannabe reporter, Elizabeth, and daring veteran crime-writer, Max, from the back alleys of Manhattan to the Rocky Mountains of Colorado. "Far and Away meets Romancing the Stone" old west style, as Max, Elizabeth, and a party of five odd characters pursue their quest for silver and the lost Fair Day Mine through ghost towns and abandoned mountain caves. Danger lurks at every turn from thieves, thugs, and harsh conditions where one false step could mean death. But Max and Elizabeth persist, both for the story and the glittering treasure, until they realize that the true treasure they've found has nothing to do with silver."You'll laugh, sigh and jump for joy. Pure sterling." ...best-selling author, Judith Ivory
