**Von Susan Johnson : Silver Flame** before purchasing it in order to gage whether or not it would be worth my time, and all praised Silver Flame:

book until the characters are on different continents

This book was the first I've read by Susan Johnson, and I was enraptured for the first 3/4 of the book. Then inexplicably (okay, it was explained in the book but not to my satisfaction) our heroine travels to France (from Montana!), where she remains separated from our hero for about a year. Obviously, little romance can occur when the people involved are living on separate continents! This book was headed for 5 stars, but gets only 3 due to this plot contrivance (and others that I won't mention because they'll spoil it).

My first Susan Johnson book was Blaze, I was captured and couldn't put the book down. SJ is my favorite author! She makes you laugh, cry and feel warm all over. Since then I have bought 10 more of her books, she is truly amazing. The cover of Silver Flame captured my eye and when I read the back cover and found out it was the sequel to Blaze I bought it instantly!!! I recommend this book to everyone!! A++++

Von Angela Ridley  
There is one reason why this is my favorite Susan Johnson romance: I am madly in love with the man. He is not perfect, but that only makes him more real. He has amazing eyes. He is incredibly sensual. He is strong, but at times he is very weak. He needs this woman in his life. Read this book. You will agree that this is a man you cannot forget.

Kurzbeschreibung  
She was driven by love to break every rule. Empress Jordan had fled to the Montana wilderness to escape a cruel injustice, only to find herself forced to desperate means to feed her brothers and sisters. Once she agreed to sell her most precious possession to the highest bidder, she feared she had made a terrible mistake even as she found herself hoping it was the tall, dark, chiseled stranger who had taken her dare and claimed her. He was every woman's secret desire. From the moment he saw the emerald-eyed beauty, Trey Braddock-Black knew he must have her, no matter what the cost. Rich as sin and handsomer than the devil, the half-Absarokee rogue had no intention of settling down with one woman. But once seduced by her innocent sensuality, intoxicated by the sweet enchantress who was his for three reckless weeks, he knew he could never give her up.
