A wonderful lovestory of finding your own wayVon JulePAfter two years of studying it's Silvers first holiday in a beautiful winter Resort.There she meets Sawyer, her old friend science childhood.He is following his dreams of being a famous Snowboarder and in his presence for the first time she is thinking about her way of living.Is she really doing the things she likes or is it just her way of suiting her parents?Victoria Green writes a lovely Story about two People

who couldn't forget each other. The persons are very lively and I couldn't let the book go until the Story was over. And after reading this winter lovestory I can't wait to go to my own winter holidays. Maybe this time I'll try snowboarding although it'll be hardly possible to get a training lesson with this hot Sawyer. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Breathtaking! Von Customer Silver Heart is without doubt one of the best books I have read since I installed Kindle on my tablet 3 years ago. Victoria Green has created a breathtaking and enchanting look at love and friendship. I will be looking forward to reading anything else she will be publishing. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Nice Von Alexandra Sehr schnes Buch, lsst sich nur schwer aus der Hand legen. Nicht bezogen, sondern in vielen Punkten sehr realitltsnah beschrieben.

Kurzbeschreibung Five years ago, Dylan Silver was forced to bid goodbye to the only boy she ever truly loved. Since then, she's done her best to forget the past, put her dreams on hold, and play the role of the perfect, dutiful daughter. When her best friend coaxes her into a winter getaway to a mountain resort, she sees it as a chance to forget about her suffocating responsibilities and the future she doesn't want: med-school and a fake fianc. But then the past catches up to her. Sexy Olympic snowboarder Sawyer Carter is the last person she expected to encounter on the slopes after all these years. Being around him again is intoxicating, and as bittersweet memories mix with dark desires, she starts to wonder if maybe they really are meant to be. But Dylan doesn't believe in fate, and a future with Sawyer no longer factors into her risk-free plans. As he dares her to be the person she has always wanted to be, can she find it within herself to abandon her fears and seize this opportunity for a second chance? One thing is certain: after a week in Whistler, Dylan's life will never be the same. Kurzbeschreibung Five years ago, Dylan Silver was forced to bid goodbye to the only boy she ever truly loved.
