Wonderful...Von jeanne adamekThe story was a bit cheesy, also a bit predictable but it doesn't matter. I was immediately drawn into the book, cheering on and hoping that I was right with how things would end. I was, but Debbie Macomber wrote it out much better than I could even imagine it--This book is recomended to everyone who

needs a comfort story. There are parts that you will figure out...but they are told in a way that you would not deduce!

Love, love, Love the book...Von MopsmamaI read the first 3 books in german and the fourth doesnt come out in german 'til September 2016, so I bought this one in english since I couldnt wait ... :) Great story, can't put the book down. 5 Stars! Im about to order the next one already.

ProduktbeschreibungEvery cloud has a silver lining, even when it seems difficult to find.Since opening the Rose Harbor Inn, Jo Marie Rose has met fascinating people from all walks of life, but none have piqued her interest quite like handyman Mark Taylor. They are becoming more than just friends, yet he still wont reveal anything about his past, and then he tells her hes moving out of town. As Jo Marie grapples with his decision and tries to convince Mark to stay, she welcomes two visitors also seeking their own answers. Best friends Coco and Katie have returned to Cedar Cove for their high school reunion, looking to face down old hurts and find a sense of closure. Coco wants to finally confront the boy who callously broke her heart. Katie, however, would like to reconnect with her old boyfriend, James - the one who got away. As Katie hopes for a second chance, Coco discovers that people can change - and both look to the exciting possibilities ahead. Heartwarming and uplifting, Silver Linings is about letting go of the past and embracing the unexpected.
