Von Jane Feather : Silver Nights before purchasing it in order to gage whether or not it would be worth my time, and all praised Silver Nights:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Realistic but RomanticVon Ein KundeSilver Nights is set in Russia, something I did not expect from Jane Feather, but seems

well researched. Another change from her usual plotline is that the heroine, Sophie, must enter an arranged marriage even after she has met her lover. Unfortunately, they must commit adultery to be together. Usually, I dislike such plotlines, but the husband is shown to be a very realistically evil man and adultery and escape seem inevitable. The relationship between Adam and Sophia is written very well and Adam and Sophia are both strong and interesting characters. Unless a reader cannot get over the adultery aspect, this is a good read with wonderfully realistic emotion.

KurzbeschreibungJane Feather is an accomplished storyteller.Los Angeles Daily NewsAn early fan-favorite historical romance novel from New York Times bestseller Jane Feather, *Silver Nights* is a breathtaking story of an heiress, forced into a marriage of convenience, who is entranced by the handsome nobleman charged with escorting her to her husband-to-be. A tale of blistering passion and forbidden love, *Silver Nights* is a bravura display of Jane Feathers extraordinary talentsa masterful blend of lush sensuality and breathtaking romantic adventure, enriched by captivating historical detail.Pressestimmen"Rare and wonderful...An accomplished storyteller."-- "Los Angeles Daily News""Hail to thee, Jane Feather...Readers have discovered an author to treasure."-- "Romantic Times"KurzbeschreibungJane Feather is an accomplished storyteller.Los Angeles Daily NewsAn early fan-favorite historical romance novel from New York Times bestseller Jane Feather, *Silver Nights* is a breathtaking story of an heiress, forced into a marriage of convenience, who is entranced by the handsome nobleman charged with escorting her to her husband-to-be.
