**Von Annie Seaton : Silver Valley Witch (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Silver Valley Witch (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A lot of fun to read! Von Alana Woods What a lot of fun to read! The author categorises this story as a novella but I thought of it as a long short story. The goddess Venus plays a trick on her son Cupid by betting him he can't make a certain mortal woman fall in love and forget her inhibitions to pursue the object of her desire. Cupid takes the bet not knowing that

the dowdy librarian, Lizzy Sweet, is in fact a 300 year old witch and is going to be much harder to manipulate than he thinks. Even less straightforward is the fact that once the spell is cast there are two men pursuing Lizzy, a mortal and a warlock. How Seaton weaves the story of mortals and immortals, and love and lust together makes for a very entertaining couple of hours reading. She does it well.

Kurzbeschreibung Josh Deegan, a burnt out country and western singer has come to Silver Valley to rediscover his muse. He has inherited an old farmhouse that holds some spooky surprises. He falls instantly in love or is it lust with Lizzy Sweet, the local librarian and there are more surprises there! Wesley Gordon, who is in love with Lizzy, is not impressed. The quirky old folk of Silver Valley watch fondly as the battle between love and lust plays out. Leaden and golden arrows zing around, spells are magicked, potions stirred, and ghosts hunted. Who will fall in love and who will let the other go forever? Kurzbeschreibung Josh Deegan, a burnt out country and western singer has come to Silver Valley to rediscover his muse.
