Von Lexi Buchanan : Sinful (Bad Boy Rockers Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sinful (Bad Boy Rockers Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 4.5 stars for this sweet, fun, sexy and yet emotional read.Von Cassandraon't forget to have tissues near.Jace and Savannah really are a great couple with some very hot chemistry. It could all be good and happy-happy-yeah-yeah, if it weren't

for Jace prothesis and PTSD.Both subjects are hard to deal with, but Lexi Buchanan didn't romance it and neither did she over stretch it to feel sympathetic to a point that you get annoyed with.She states the facts and shows the ugly face and how it influences their life. She also shows that sometimes you have to step away to protect the people you love, no matter how hard that is.Nothing in life comes easy and some things are just worth fighting for. Love has the power to heal and become even stronger.With BT on the cover and knowing his story this just adds up to the reading experience.I do hope at some point we get to revisit Jace and Savannah and their family.

KurzbeschreibungJace Stones life has been spiraling out of control since he was shot in the line of duty five years before.When his old Captain suggests he tutor a second grade class on the softball field as a favor to his niecetheir teacherhe thinks, why not? Life cant get any worse. What he doesnt expect is the niece to be a hot, little redhead with curls all the way to her round bottom. She quickly works her way into his dreams, teasing his senses and leaving him hot, hard, and craving a taste of her sexy red lips . . .Savannah Devereux is relieved when her Uncle Ned finds a softball coach to teach her class, but she never expected to be faced with a six-foot mountain of a man who looks like he just climbed out of bed. His heated glances cause her female parts to sit up and take notice, but its his sexy five oclock shadow and sinful mouth that keep her tossing and turning at night.The more time they spend together, the more the heat ignites between them. But with his demons to battle and her engagement to someone else, someone is going to get burned.A man whos been through hell and a teacher who belongs to another, come together on the softball field, but soon find their lessons extend beyond the field.KurzbeschreibungJace Stones life has been spiraling out of control since he was shot in the line of duty five years before.When his old Captain suggests he tutor a second grade class on the softball field as a favor to his niecetheir teacherhe thinks, why not?
