Von Zoe Archer : Sinner's Heart (Hellraisers) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sinner's Heart (Hellraisers):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The third and last installment of the series has finally arrived!Von Detra FitchSet in London, 1763. Abraham "Bram"

Stirling, Baron Rothwell, was once a soldier in the Colonies. He returned a changed man. To keep his grim horrors at bay, he and his fellow Hellraisers drowned themselves in vice. Nothing could separate the five Hellraisers until the Devil himself grants them each a wish, a power. Each has a fire tattoo, the mark of the Devil, and it slowly spreads across their bodies. When it covers the man entirely, the Devil will own his soul. Two of the Hellraisers have already turned away from the Devil and found ways to retrieve their souls. One of their group, Edmund, is dead; killed by John Godfrey. Today, only Bram and John remain bound by their pacts with the Devil. Now Bram finds that he is magically bound to Valeria Livia Corva, the Roman priestess who raised the Devil the first time - and died to send the demon back. Livia's physical body is trapped in a half state. She is a ghost, without substance and without feeling. Bound to Bram, she witnesses Bram's memories and learns that they are not so different from each other. But unless she can convince Bram to turn against the Devil, recover his soul, and defeat John, there will be hell on earth.***** FIVE STARS! The third and last installment of the Hellraisers' Trilogy has finally arrived! And it is even more magnificent than I could have hoped for. In the first story, Zo Archer prepared a seductive saga and cast her net, ensnaring her readers in a magical spell in which none wished to escape. In the second story, the author chanted a blissful mantra about love and sent out a wave of warmth and hope to all who read it. Now Zo has combined the powerful characters of those two novels with the two most important ones of the trilogy. Everything falls upon the shoulders of the man who had the least amount of faith and the woman who may be given a second chance at mortality. The end result is spectacular! Throughout each story of the trilogy, the author has given the reader a shameless, immoral man and thrust a strong and determined woman in his path. Each couple had their love tested by fire, often literally, and come out the better for it. But Bram is the most sinful of the three male leads and Livia was not much better when she once breathed. To make things more suspenseful (and entertaining), Zo has created a villain that I could not help but love to hate! The Devil is the only creature viler than John Godfrey. I mean, John was cruel in the first two stories, but he is evil reincarnate in this one. I ended up reading this entire book in a single afternoon. Zo Archer writes breathtaking stories that I doubt I will ever forget. As I said earlier, "Spectacular!" *****Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Demons Of The Past Abraham Stirling, Lord Rothwell, was a fighter once, a soldier in the Colonies. But Bram returned to London with more nightmares than tales of glory. Now he drowns his senses in the arms of countless women, while his friends, the Hellraisers, ensure he needn't sin alone. Until, that is, the Devil himself grants them each a wish, undoing their camaraderie as they explore their wicked powers. Bram finds himself magically bound to Valeria Livia Corva, the sensuous priestess who raised the Devil the first time--and died to send the demon back. She may be a ghost, but Livia is no angel. The raw passion she witnesses in Bram's memories isn't much different from her behavior when she had a body to enjoy. But it doesn't make it any easier to convince Bram to become a warrior again, lest all London burn. And the fierce desires reawakening within her might just start the blaze. . ."Zo weaves a delightful spell." --Elizabeth Vaughan Praise for Zo Archer and Her Novels "Bold, pulse-pounding adventure that's impossible to put down." --Meljean Brook "Zo Archer mixes my two favorite things--paranormal and historical--brilliantly!" --Colleen Gleason "Crackles with adventure." --Mary Jo Putney Kurzbeschreibung Demons Of The Past Abraham Stirling, Lord Rothwell, was a fighter once, a soldier in the Colonies.
