Von Terry C. Johnston : Sioux Dawn: The Fetterman Massacre, 1866 (The Plainsmen Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sioux Dawn: The Fetterman Massacre,

1866 (The Plainsmen Series):

KurzbeschreibungNo one captures the glory, adventure and drama of the courageous men and women who tamed the America West like award-winning author Terry Johnston. His Plainsmen series brims with colorful characters, fierce battles and compelling historical lore.The Civil War was over, and a great westward march began. Settlers and soldiers poured out of the East along the Bozeman Trail, cutting deep into sacred Sioux hunting grounds. For Red Cloud and his warriors, there would be no choice but to fight for their ancestral rights.Seen through the eyes of gruff Sergeant Seamus Donegan, here is the historically accurate tale of a tragic opening to the war between two great civilization: the Fetterman Massacre of 1866.Pressestimmen"Johnston knows his material!"--"Washington Post Book World" "The author's attention to detail and authenticity, coupled with his ability to spin a darned good yarn, makes it easy to see why Johnston is today's best-selling frontier novelist. He's one of a handful that truly knows the territory." --"Chicago Tribune" Johnston knows his material!
