Von Thomas Galvin : Sire (The Vampires of St. Troy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sire (The Vampires of St. Troy Book 1) (English Edition):

KurzbeschreibungIt's Caitlin's first night in St. Troy. Her first night at college. Her first night away from home. There are two great girls in her suite, and two cute guys across the hall. And two vampires fighting over her. Now she's all alone, locked up in an empty room in a monster's mansion. And there are screams coming from outside the door ...Sire

is Thomas Galvin's hit debut novel, the first book in the new Vampires of St. Troy series, which blends horror, action and romance into a bloody tale that will have you turning pages until the sun comes up.
