hotVon Ein KundeThis is the hottest book I've ever read. It's a sequel to The Institute - which I'm off to order from .co.uk! If you like your erotica with a large dose of the bizarre then this will appeal to you!

KurzbeschreibungThe strict Mistress Shirer has always kept the residents of the Institute on a tight rein. Her charges are girls whose behavior is apt to get out of hand and who need special discipline. Now they've opened a male dormitory and all manner of strange goings-on have come to her attention. Determined to restore order, Mistress Shirer sends Jaki. Her cross-dressing slave, into the dormitories to find out exactly what is going
