Von Danielle Steel : Sisters before purchasing it in order to gage whether or not it would be worth my time, and all praised Sisters:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. positive changesVon HappyFaceAfter so many books which consisted more or less of repetition, this is finally a Danielle Steel story in which people, joined together at a gala dinner, survive a terrible earthquake and find shattered lives all around

them. They tackle the new situation and overcome their fears. I enjoyed reading this book very much.

KurzbeschreibungFour New York sisters are brought together to pick up the pieces after a family tragedy. Candy is blazing her way as an international supermodel . . . Her sister, Tammy, has a L.A. job producing the most successful hit show on TV. . . In New York, oldest sister Sabrina is an ambitious young lawyer, while Annie is an American artist in Florence . . . On one Fourth of July, the four sisters return home for their family's annual gathering. But before the holiday is over, tragedy strikes and their world is utterly changed. The sisters must come together to support each other with the kind of honesty and unconditional love only sisters can provide.
From Publishers WeeklyFour stunningly beautiful Connecticut-bred sisters pursue their disparate careers in prolific Steel's (H.R.H.) latest. There's Candy, 21, a supermodel with an eating disorder, on location in Paris; Annie, 26, a RISD-grad studying painting in Florence; Tammy, at 29 an L.A. TV producer with a new hit and no life; and Sabrina, 34, a workaholic, commitment-phobic family attorney. No matter what, all meet at Mommy and Daddy's for July 4, Thanksgiving and Christmas. During one of the reunions, a disastrous car accident kills their beautiful, dutiful mother and leaves artist Annie blind. Sabrina comes up with a plan for the sisters to live ensemble in a New York brownstone, so that they might grieve and ease Annie's transition into the sightless world. The questions then become Will Candy eat? Will Sabrina commit? Will Tammy have a hit? Will Annie transition? And will Dad love again? Legions of fans expect an emphatic yes, and they won't be disappointed. But they can also expect decapitation, rape and emotional betrayal, which work like little shocks to keep pages turning. (Feb.)
