Von Lili St Germain : Six Brothers (Gypsy Brothers Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Six Brothers (Gypsy Brothers Book 2) (English Edition):

But with Jase there was hope. For the better and for love. This part of the series was still absolutely cruel and a lot of times difficult for me to stomach. Dornan was totally crazy and sick to his core.So, if you think, you can handle darkness and cruelty, you will probably like this series. But if not, just don't touch it. Though, I must admit, I will go on with this series. I'm really intrigued.

And full of hope.0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach, schnell, interessant Von JD Katrin Buch
Buch lässt sich gut lesen. Geschichte ist spannend und man will wissen, wie Sammi/Julz den nächsten Bruder umbringt. Auch wie sich die Beziehung zu Jase entwickelt, will man natürlich wissen. Schade ist, dass die Geschichte recht kurz ist. Habe nur eine gute Stunde gebraucht.

Kurzbeschreibung *Book Two in the Gypsy Brothers series. A serial novella of approximately 27,000 words. Intended for mature audiences* I have lied. I have cheated. I have given my body and my life to the man who destroyed my family and left me for dead. I have killed, I have sinned, and worst of all, I have enjoyed the misery of others. I have licked the salty tears of a father mourning his firstborn son, and nothing has ever tasted so sweet. I have died, and I have been resurrected, a phoenix from the ashes. I know I'm going to hell. I'll burn in the fiery pits alongside Dornan and his sons for the things I've done, and for the things I'm about to do. But I don't care. It will be worth every lick of the devil's flames on my guilty flesh to destroy Dornan Ross. One down. Six to go.
