Von Irvine Welsh : Skagboys (Mark Renton Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Skagboys (Mark Renton Series):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich.
ExcellentVon K.J.That's what you would expect from Irvine Welsh... After a couple of novels where he wasn't at his best form, thistime it's really a hit. Even though it's the same protagonistas again, Trainspotting characters, but - new and fresh.A lot of humour, but a deep sadness in general, gives you a lot to think about.Keep it up, Irvine, hope it's not

your last work :)1 von 2 Kunden fanden die folgende Rezension hilfreich. sound novelVon NoScabBrilliant novel. I've been reading welsh's works for years and must say that I've enjoyed every last one of them. Always thought that I might grow out of it, but it hasn't happened.As in many other of his novels the protagonists are looking for ways to live a life of total freedom and endless fun. Especially Renton is too smart to just move along and join the line. The problems he faces are numerous and familiar, yet entertain and sympathetic.1 von 1 Kunden fanden die folgende Rezension hilfreich. more of the sameVon Rachael StevelyTragic and hilarious in equal measure. The same old cats up to the same old scams. Each character true to form, excellently resurrected by Welsh. Quality, likesay.

KurzbeschreibungBEFORE TRAINSPOTTING CAME SKAGBOYSThe Number One BestsellerMark Renton has it all: hes good-looking, young, with a pretty girlfriend and a bright future. But theres no room for him in the 1980s and when his family starts to fracture, Marks life swings out of control. The way out is heroin. Its no better for his friends Spud Murphy is laid off from his job, Tommy Lawrence finds himself sucked into a life of petty crime, violence and the world of the psychotic Franco Begbie. Only Sick Boy seems to ride the current, scamming and hustling his way through it all. Exhilarating and moving, Skagboys charts their journey from likely lads to young addicts in a decade which changed Britain forever.Pressestimmen"One of the most significant writers in Britain. He writes with style, imagination, wit and force." "--Times Literary Supplement"" ""The voice of punk, grown up, grown wiser and grown eloquent." "--The Times"Pressestimmen"One of the most significant writers in Britain. He writes with style, imagination, wit and force."
