Oregon Files Book so far Von Archer When I saw a chance to see the guys from the "Corporation" again after their mission with Dirk Pitt I started immediately with Golden Buddha, and was pretty disappointed. "Sacred Stone" was a little better. Storyline is too confused, too many people described in detail. You simply lose track of the story with so many people involved. In any case I decided to try once again with "Skeleton Coast" and this time I wasn't disappointed. Some nice humor, great action, narrow escapes, a storyline like in a good James Bond movie and sufficiently described characters without overdoing it. That's what I'd expect from a Clive Cussler book. A good, fun read like watching a movie. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Skeleton coast Von Eberhard Knust Ein sehr spannender Roman aus der Oregon-Serie. Es beginnt mit einem Diamantenraub in der Westsee und endet mit einem Kampf auf einem Kriegsschiff. Dazwischen Action auf Action. 4 von 6 Kunden fanden die folgende Rezension hilfreich. Great!!!!!! Von "K" Wieder ein neuer Co-Autor der sich seine Tantiemen an der Cusslerschen Schreibmaschine einverleiben darf. Bei den Bchern "Der goldene Buddha" und Todesschrein hatte man den Eindruck diese hten tatschlich diese Bcher geschrieben so schlecht schienen mir diese. Das hat sich hier gendert, humorvoll und im Stile der alten Romane von Cussler erlebt der Protagonist Juan Cabrillo hier an der ehemaligen Kste der Sklavenhndler, der Kalahari eine Schatzsuche nach verschwundenen bzw. geraubten Diamanten. Schade das nicht Dirk Pitt, aber bei diesen Romanen ist ja der Sohn Dirk von Clive Cussler Co-oder Hauptautor. Man sieht das beste bleibt in der Familie.

Kurzbeschreibung Skeleton Coast is Clive Cussler's fourth Oregon Files adventure, featuring captain Juan Cabrillo. 1896: HMS Rove vanishes in a shocking storm off the African coast. Aboard is a fortune in stolen diamonds... Present day: Juan Cabrillo and the crew of the covert super-ship Oregon have just escaped a double-cross on the Congo River when they come to the aid of Sloane Macintyre - looking for some long lost treasure. Sloane's story is strange and when Juan checks it out, he finds that there's much more than just diamonds at stake on the African coast. A deranged militant and his followers plan to unleash a devastating power that will kill millions and cause worldwide havoc. Soon the Oregon is steaming to the rescue - but some forces are so extreme that even a hero like Juan Cabrillo thinks twice before getting involved... The number-one bestseller Clive Cussler, author of the thrilling Dirk Pitt novels Crescent Dawn and Atlantis Found, and co-author Jack Du Brul tell a gripping story of treasure hunting and treachery in the fourth novel of the adventure series The Oregon Files. Skeleton Coast follows Sacred Stone and Dark Watch. Praise for Clive Cussler: 'The guy I read' Tom Clancy Bestselling author Clive Cussler has kept readers on the edges of their seats for four decades with his thrilling action novels.
