**Von Cynthia Bruner : Sky's Fireworks: A Montana Weekend Novella (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sky's Fireworks: A Montana Weekend Novella (English Edition):

Kurzbeschreibung Sky has one more chance to make happily-ever-after happen with the guy she's loved for years. The problem is, she just met the perfect man. Since she was a child Sky Fischer has known she's destined to marry her next door neighbor Kevin, but he hasn't realized it yet. This Fourth of July, Kevin's back in town and Sky found a brilliant way to get his attention. She brought coworker Boone along to act as her boyfriend. But Kevin is distracted, her brothers are determined to chase away her suitors, and worst of all, Boone might be a little too perfect for his role. What if the future she's been planning isn't the right one? This inspirational romance includes book club questions. Come spend a romantic weekend along Montana's rugged Rocky Mountain Front!
