Von Jane Harvey-Berrick : Slave to the Rhythm (The Rhythm Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Slave to the Rhythm (The Rhythm Series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Definitely a 5 star must-read!Von SejlaSlave to the Rhythm was my first book by Jane Harvey-Berrick and will for sure not be my last. I've heard so many great things about her and decided to give this book a chance. Let me tell you that I don't regret it for a second! Jane Harvey Berrick's writing is beautiful, touching and inspiring. She took me on a

reading journey I will soon not forget! Ash Novak is a young dancer from Slovenia who leaves his home country and old life behind in order to live the American dream. He accepts a job offer at a theater in Las Vegas to do what he only ever wanted: dance. Every choice has a consequence and Ash will learn it the hard way. Shortly after his arrival he finds himself in his personal hell. A hell where his only way out would result in his death. Ash didn't see it coming that his saving grace would come in the form of a beautiful young woman in a wheelchair, Laney Hennessey. Despite her physical limitations, Laney is a very brave woman who is never afraid to push boundaries. She will soon realize how strong she is and how much she is capable of when she decides to help Ash out of his misery. This decision will turn their both worlds upside down and things will never be the same again... I wish I could tell you more about the plot but then I would spoil the whole book and I really want you to experience it the way I did: unprepared with an open mind and heart. I can guarantee you that this story is captivating from beginning to the end. You won't be able to put this book down! Your heart will bleed for Ash and you will hope and pray that Laney can save him from his demons. Ash was so happy and hopeful at the beginning. It was heartbreaking to watch his dreams shatter to pieces! He has gone through some terrible things that altered him forever. After losing everything, the only things that kept him sane were dancing and his "soncek" sunshine Laney. Laney was the ray of light in Ash's darkness. I admired her kindness and selfless willingness to help others. She saved Ash from losing himself and helped him to cope with the traumatizing experiences he's made. Slave to the Rhythm is so much more than just a book about dancing. It's a book about broken dreams, shattered hopes but also the healing power of love. What still made it a great read despite all the sensible topics and heartbreak was how the friendship between Ash and Laney turned into one of the most extraordinary and unforgettable love stories I've ever read. Definitely a 5 star must-read!

Kurzbeschreibung The dark new standalone romance from best selling author Jane Harvey-Berrick "The perfect balance of dark suspense and heart-warming romance, this was a book that I could not put down, and loved in all its devastating, gritty, yet unreservedly romantic and compelling beauty." NATASHA IS A BOOK JUNKIE "This story is so wondrously written that if I could give it more stars I would. Because even though I am somewhat stingy with my five-star ratings, I'd throw many more at this incredible piece of art in the blink of an eye." THE SUBCLUB BOOK CLUB "If there's one thing we can say about Jane Harvey Berrick's writing, it's that she always manages to capture our imagination with the beauty and visionary of her stories!" TOTALLY BOOKED ***** WARNING ***** This book contains scenes that some readers may find distressing, and is not for anyone under the age of 18. The criminals in this story are NOT men who love their mothers, put family first and are noble villains, but monsters who traffic in human misery. ***** DANCE. Guns. MUSIC. Bullets. RHYTHM. Pain. Music in my head, dance in my body, the rhythm of my heart. How far can you fall in just one month? How quickly can the human spirit be broken? Where does evil hide in plain sight? Ash wants to dance. Needs it. To leave behind a life of expectation and duty, to set his soul free. But life is never that simple. Every step is a journey on a new road. For every action, there is a reaction. Every choice has a consequence. And when you meet the wrong person, all bets are off. Laney tolerates her limitations, pushing quietly at boundaries. But when Ash crashes into her world through rage and violence, it sets off a chain reaction that neither of them expected.
