Von Brynna Blake : Sleeping with the Boss (Companions Escort Service Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sleeping with the Boss

(Companions Escort Service Book 2) (English Edition):

Kurzbeschreibung Sam Grayson, co-owner and CEO of Companions, a reputable gay male escort service, has just been dumped by his partner of six years. He needs a drink. He heads down to his favorite bar and when he is served up by a hot new bartender, T.C., he realizes he also needs a good, hot, no-last-names-and-no-strings fuck. Things get complicated a few days later T.C. walks into Sam's office. He is Tanner Carlton Davenport, the newest escort at Companions, hired the week before by the HR department. Companions has a strict no-sex policy. No sex with the clients, no sex with co-workers, and especially no sex between management and employees. This means Tanner is strictly off limits to Sam. But Sam is quickly becoming a rule breaker...especially since he's learned just how much he loves being in charge...****This book contains gay (m/m) sexual situations.******THIS BOOK CONTAINS EXPLICIT SEX AND IS FOR READERS 18+ ONLY.****THIS BOOK CONTAINS A LITTLE SPANKING AND VERY MILD BDSM.**
