Schwache dafür hat ja.0 von 1 Kunden fanden die folgende Rezension hilfreich. Absolut empfehlenswert! Von Customer Ich habe jede Seite genossen. Das Buch hätte für mich ruhig noch länger sein dürfen. Schade, dass es schon zu Ende ist. Tolle Charaktere - da darf man ruhig mal schmachten - und eine gute Story. Nichts ganz Neues, aber anders und toll umgesetzt. Hat mich schon ab der 1. Kurzbeschreibung People float in and out of our lives and sometimes, when you least expect it one person changes everything. Tessa Ashby was abandoned in an East Coast boarding school, merely existing, never truly feeling loved. Before fulfilling obligations her father has sentenced her to, she escapes and breathes eight weeks of freedom in southern California. Bodhi loves: his music, his body and his buddies...the order is debatable depending on the day. His past taught him to be selective with the people he trusts. Bodhi doesn't date, and he was lucky if he remembered a woman's name. He was alone in a world of people. All that changed when an innocent, brown-eyed, smart mouthed beauty showed up on his doorstep. Are they the answer to each others prayers or will manipulation and deception destroy them?
