**Von Mick Herron : Slow Horses: Jackson Lamb Thriller 1 (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slow Horses: Jackson Lamb Thriller 1 (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. MI 4 and a half Von Huwge Well written and a good plot. Also very interesting in that it prompts one to think what might actually happen to those in such functions when they do drop a block on the job. Second book "Dead Lions" is just

as good, about to read the third

Kurzbeschreibung 'The new king of the spy thriller' Mail on Sunday Slough House is a dumping ground for members of the intelligence service who've screwed up: left a service file on a train, say, blown a surveillance, or become drunkenly unreliable. They're the service's poor relations - the slow horses - and most bitter among them is River Cartwright, whose days are spent transcribing mobile phone conversations. But when a young man is abducted, and his kidnappers threaten to behead him live on the internet, River sees an opportunity to redeem himself. But is the victim who he first appears to be? And what's the kidnappers' connection with a disgraced journalist? As the clock ticks on the execution, River finds that everyone involved has their own agenda . . .

Pressestimmen Praise for Slow Horses "It's just great fun." NPR, Morning Edition A funny, stylish, satirical, gripping story . . . Memorably seedy characters, sharp dialogue, complex plot. Im hooked. The Guardian This is blackly funny, tense and worryingly plausible. The most enjoyable British spy novel in years. Mail on Sunday, Five-star "[A] deliciously sleazy and sophisticated spy thriller." The Irish Times "These are terrific novels. The writing is very good. The sense of humour is there, and there's a certain amount of skepticism as well, which keeps you wanting to read." J.D. Singh, CBC's The Next Chapter "Subtle, detailed and utterly convincing." The Crime (UK) Slow Horses is a fine thriller . . . its also a wonderfully funny, farcical, deeply cynical skewering of politics, bureaucrats, turf wars, and the Great Game. Booklist Praise for Mick Herron "Mick Herron never tells a suspense story in the expected way . . . In Herron's book, there is no hiding under the desk." The New York Times Book "Stylish and engaging." The Washington Post "[A] masterful thriller . . . The intricate plot, coupled with Herron's breezy writing style, results in superior entertainment that makes most other novels of suspense appear dull and slow-witted by comparison." Publishers Weekly, Starred "Like a good movie . . . grabs the reader from the first page." Booklist, Starred Werbetext "The most enjoyable spy novel in years" Mail on Sunday
