Von Chris McHart : Small Steps (Long Way to Happiness Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Small Steps (Long Way to Happiness Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.
WowVon ManPiIch wusste nicht, ob ich das Buch lesen sollte oder nicht, aber habe es getan und nicht bereut.Ich war

selber Alkoholkrank. Chris McHart hat das Thema Alkoholkrankheit gut rber gebracht. Oft habe ich mich selbst wieder erkannt. Ganz nebenbei wurde eine auergewohnliche Liebe aufgebaut und alles in allem ist es ein tolles Buch und ich kann es nur empfehlen

Kurzbeschreibung*** Rainbow Awards Honorable Mention***Ben Amann currently hates everything: The accident that temporarily put him in a wheelchair, the fact that he has to go for rehab and live in an assisted living home as well. Sebastian Hofers, the good looking but equally bad-tempered new assistant to his rehab therapist changes that. Sebastian has two choices after causing an accident while driving drunk: community service hours or go to jail. The decision is a no-brainer, and so he meets Ben at the rehab center. The two of them hit it off and slowly, Sebastian sees more than just a patient in Ben. But their growing relationship faces hard trials, not only because of Sebastians heavy drinking, but also because of the truth: The two of them already met on an icy street, eight months ago. Can love and forgiveness overcome the overwhelming guilt and resentment? Contains: Two ill-tempered men, a lot of hang-ups, a shared hope, and a destroyed dream. Trigger Warning: deals with alcohol abuse and alcoholismLength: 77 800 words

ber den Autor und weitere MitwirkendeChris McHart lives in Germany, with her husband, slave, Dom, partner in crime, and muse (all in one person, not even she's that kinky!). She loves her husband, men in kilts and Scotch Whiskey. Her idea of a perfect evening is to curl up with her laptop and write (the other options are not suitable to post in public).
