Kurzbeschreibung "I'll leave as soon as you give me what I want." In another time and place, that might have a nice ring to it. Still, spending time with that unbelievably broad chest up close and personal might just add, um, depth to her story. If only she can let her robe down while keeping her guard up. . . Pressestimmen "I had no idea that a book could be so steamy and still so laugh-out-loud funny!" Kurzbeschreibung "I'll leave as soon as you give me what I want."
