Von Judy Blume : Smart Women before purchasing it in order to gage whether or not it would be worth my time, and all praised Smart Women:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Great Writer, Bad StoryVon JulieI have been huge fan of Judy Blume ever since the second grade (that makes it about 21 years). However, this is not one of her better books. Blume is an excellent writer, but there's really no story to tell here. I almost got the impression that she was making this up as she went along. This book does not do justice to Blume's true talents.1 von 1 Kunden fanden die folgende Rezension hilfreich. Another good Judy Blume book.Von Ein KundeI

recently finished "Smart Women", and I thought that it was a good book. However, I couldn't finish it as quickly as I did "Summer Sisters" and "Wifey"; the writing just didn't move as quickly. The book deals with the lives of two divorced acquaintances, named B.B. and Margo, who have relocated to Colorado after their divorces. Both women are trying to get on with their romantic lives, while raising their children. When B.B.'s ex-husband, Andrew, moves to town, and becomes interested in Margo, both women's lives become further intertwined. All the characters must now accept the new changes in their lives. I read the 1983 hardcover version of this book. Judy Blume's "Forever..." will be my next read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Not BadVon hulagrri23@hotmail.com Smart Women was a good book yet it lacked the flowing nature of Summer Sisters. I couldn't get myself into it and in the end did not feel satisfied that I spent time reading it. Margo's character seemed to be blah and we didn't hear enough from Andrew's point of view. In Summer Sister's you could relate to the characters because she did certain pages dedicated to their thoughts. It was a good book however there are better ones of Judy Blumes. I look forward to her next book.

Kurzbeschreibung Margo and B.B. are each divorced, and each is trying to reinvent her life in Colorado-while their respective teenage daughters look on with a mixture of humor and horror. But even smart women sometimes have a lot to learn-and they will, when B.B.'s ex-husband moves in next door to Margo... Pressestimmen "Washington Post" "Smart Women..." is filled with good insights and great, quotable oneliners... Men are always asking what women like and don't like, want and don't want. Why don't they read Judy Blume and find out? Kurzbeschreibung Margo and B.B. are each divorced, and each is trying to reinvent her life in Colorado-while their respective teenage daughters look on with a mixture of humor and horror.
