Von Jack London : Smoke Bellew (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Smoke Bellew (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. little known MUST Von C. L. Douglas This book was given to me as a child. I always thought it was one of the funniest books I'd ever had. I especially loved the chapter: A Corner on Eggs. Somewhere in growing up I lost the book. I wanted to share it with my children, then my grandchildren, but I never could find it again - even in editions

perporting to be complete compilations of Jack London's work. To my amazement, here it is suddenly one click away at . I'm beyond thrilled. The book has everything: Comedy, adventure in Yukon Territory, excitement of the gold rush days, and great characters. Rediscover, or discover a little known London work that is worth the wait.0 von 0 Kunden fanden die folgende Rezension hilfreich. Herrliche Erinnerung.Von GastAls Kind/Jugendlicher habe ich die Erzhlungen von Jack London geliebt, wobei mir Kid Bellew immer besonders ans Herz gewachsen ist. Nun habe ich mich an Erwachsener an die englische Originalversion gewagt und kann nur sagen: Der Reiz ist nicht verflogen. Einfach ein tolles Buch.0 von 0 Kunden fanden die folgende Rezension hilfreich. A must for your libraryVon Ein KundeI've had this book in my personal library for years and have read it over and over. It has everything - a little drama, some comedy, lots of nature, a variety of interesting characters. I'm always disappointed when I get to the last page because I want it to go much longer.

By the time he was at college he had become Chris Bellew. Later, in the Bohemian crowd of San Francisco, he was called Kit Bellew. And in the end he was known by no other name than Smoke Bellew. And this history of the evolution of his name is the history of his evolution. Nor would it have happened had he not had a fond mother and an iron uncle, and had he not received a letter from Gillet Bellamy. "I have just seen a copy of the Billow," Gillet wrote from Paris. "Of course O'Hara will succeed with it. But he's missing some plays." (Here followed details in the improvement of the budding society weekly.) "Go down and see him. Let him think they're your own suggestions. Don't let him know they're from me. If he does, he'll make me Paris correspondent, which I can't afford, because I'm getting real money for my stuff from the big magazines. Above all, don't forget to make him fire that dub who's doing the musical and art criticism. Another thing, San Francisco has always had a literature of her own. But she hasn't any now. Tell him to kick around and get some gink to turn out a live serial, and to put into it the real romance and glamour and colour of San Francisco."
