Von Ahren Sanders : Smokescreen (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Smokescreen (English Edition):

KurzbeschreibungStella SullivanBright. Dedicated. Loyal.The day I walked into his boardroom, I had no idea my life was about to change forever. It was supposed to be a simple proposal that would catapult my career. The chance to help Hurst McCoy save one of their flailing business lines seemed simple enough. However, I never expected that one look at Maxwell McCoy would have me grasping for control. Hes demanding, charming, powerful; most of all hes beautiful, inside and out. As hard as I fought against the attraction, he broke down my defenses. But hes hiding things. Even when secrets, lies, and greed threaten everything I have worked so hard for, I couldnt walk away. Theres no denying, the moment my eyes landed on Maxwell McCoy was the moment I became his.Maxwell McCoyRich. Brilliant. Powerful.People only see me as CEO of Hurst McCoy. The ruthless businessman whose mere presence demands respect. People dont know I chose to leave a life I loved in order to protect my fathers legacy and reputation. When my companys future was threatened, I had no choice but to seek assistance. The day Stella Sullivan walked into my boardroom was the day my heart started beating again. One business proposal, from the topaz-eyed beauty, changed my life. She tried to deny our unyielding chemistry, but I wouldnt. I should let her go, but I didnt.The smokescreen I created soon comes crashing down, forcing me to fight for everything I love.*Due to graphic language and explicit sexual situations, this book is recommended for readers 18+.
