Taschentcher bereit haltenVon Orlando di MonacoHab das Lesen einige Zeit vor mir hergeschoben. Zu lang, es kommen Kinder vor...Naja, wenigstens haben da zwei Lovers nicht ber Leihmtter spekuliert, etwas was mich in die Flucht jagt. Die Kids sind schon vorhanden ;-)
Einiges ist vorhersehbar, berraschungen sind nicht immer wirklich berraschend, hab sie aber gern in Kauf genommen.
Gut erzht, plausibel und mir mehr zu Herz gegangen als ich es

zunächst zulassen wollte. Rezensionen zu schreiben ist nicht wirklich mein Ding, hier musste ich aber schreiben wie gut mir das Buch gefallen hat. 1 von 1 Kunden fanden die folgende Rezension hilfreich. More than a smoky DREAM Von Sandra Schuh For the love of this Author, read this BOOK ! It is amazing!!! It is heartwarming and makes you believe that with love everything is possible ! Thank you so much Leta :-)

Kurzbeschreibung Sometimes holding on means letting go After giving up on his career as a country singer in Nashville, Christopher Ryder is happy enough performing at the Smoky Mountain Dreams theme park in Tennessee. But while his beloved Gran loves him the way he is, Christopher feels painfully invisible to everyone else. Even when he's center stage he aches for someone to see the real him. Bisexual Jesse Birch has no room in his life for dating. Raising two kids and fighting with family after a tragic accident took his children's mother, he doesn't want more than an occasional hook-up. He sure as hell doesn't want to fall hard for his favorite local singer, but when Christopher walks into his jewelry studio, Jesse hears a new song in his heart.
