The two of them set out on a mission to find the fountain of youth as this water will help her. Ally does not know Garret's secret, but if he has any chance of making amends, he will have to tell her what he is. INCREDIBLE fast paced well written read by a truly gifted author. I loved this touching story. The characters spring to life with the plot and dynamic scene descriptions. The chemistry between Garret and Ally is convincing and their romance sizzles. The fusion of authenticity and fantasy make this story most impressive. Garret's devotion towards his grandmother shows Ally that he is a changed person. If you treasure shifter romance this is definitely a terrific book for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and are always fascinating. Without reservations I recommend this book.
