Von Stephen Hunter : Sniper's Honor: A Bob Lee Swagger Novel (Bob Lee Swagger Novels) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sniper's Honor: A Bob Lee Swagger Novel (Bob Lee Swagger Novels):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fast pacedVon dblsgtMr Hunter gets his real history a little mixed up. He has the Serbs supporting the Nazi while in reality they supported their ethnic brothers the Russian.Still a great and entertaining story0 von 1 Kunden fanden die folgende Rezension hilfreich. Gute GeschichteVon Rene BaaiStephen hat mich berascht. Denn ich dachte es war aus mit/fr Bob Lee Swagger. Aber er hat doch wieder eine Art Story erfunden. Nur das Ende der Geschichte ist ein Wenig unglaublich. Trotzdem habe ch das Buch in einem Zug gelesen.

KurzbeschreibungIn this tour de forcepart historical thriller, part modern adventurefrom the New York Times bestselling author of I, Sniper, Bob Lee Swagger uncovers why World War II's greatest sniper was erased from historyand why her disappearance still matters today.Ludmilla Mili Petrova was once the most hunted woman on earth, having raised the fury of two of the most powerful leaders on either side of World War II: Joseph Stalin and Adolf Hitler. But Kathy Reilly of The Washington Post doesn't know any of that when she encounters a brief mention of Mili in an old Russian propaganda magazine, and becomes interested in the story of a legendary, beautiful female sniper who seems to have vanished from history. Reilly enlists former marine sniper Bob Lee Swagger to parse out the scarce details of Mili's military service. The more Swagger learns about Mili's last mission, the more he's convinced her disappearance was no accidentbut why would the Russian government go to such lengths to erase the existence of one of their own decorated soldiers? And why, when Swagger joins Kathy Reilly on a research trip, is someone trying to kill them before they can find out? As Bob Lee Swagger, one of the finest series characters ever to grace the thriller genre, now and forever (Providence Journal-Bulletin), races to put the pieces together, Sniper's Honor takes readers across oceans and time in an action-packed, compulsive read.PressestimmenAbsorbing . . . You don't have to be a fan of military action fiction to enjoy this. (Publishers Weekly)Hunter knows his hero like a brother: righteous character firmly set, crafty intelligence thoroughly hidden, stone-cold willing to take the shot if a bad actor must die. . . . Swagger displays mighty tradecraft [and] Hunter loads up a whole magazine of action, double-dealing and gun porn. (Kirkus s)A remarkably textured novel. . . . Hunter does a wonderful job of jumping between and connecting his multiple story lines, and he populates the stage with at least a dozen memorable characters, from Mili and her cohorts through the Nazis that hunt them, and, of course, to Swagger himself, an ever-more-complex character as he ages. Perhaps most memorable of all, though, is Hunter's vivid re-creation of the carnage on the Eastern Front, where, as Mili notes, the Russians' only advantage over the Germans was numbers: If they kill us five to one, we bring six to one . . . we shall prevail because, all things being equal, we can outbleed them. (Booklist)Given the return of the Russians to bad-guy status, this book couldn't be more timely. But any Swagger tale is a treat, especially one as layered and nuanced as this one. Hunter remains the absolute master of the action thriller and this is a terrific tale from a wondrous storyteller. (Providence Sunday Journal)My favorite thriller author [] fun to read. (The Herald-Dispatch)KurzbeschreibungIn this tour de forcepart historical thriller, part modern adventurefrom the New York Times bestselling author of I, Sniper, Bob Lee Swagger uncovers why World War II's greatest sniper was erased from historyand why her disappearance still matters today.Ludmilla Mili Petrova was once the most hunted woman on earth, having raised the fury of two of the most powerful leaders on either side of World War II: Joseph Stalin and Adolf Hitler.
