Von Phyllis Edgerly Ring : Snow Fence Road (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Snow Fence Road (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Winter

in Maine turns to summer of the hearts Von Susanne Weigand I love books with a great sense of place. Snow Fence Road has it all, the Spinnaker Inn where I would like to go for a holiday. The town of Knowles where you walk the streets with the characters. Great food you taste while reading about it. Art you can visualize. Blueberry picking in summer and a long harsh winter that makes you shiver even when reading the book in warmer weather. The characters are real, you will go back to them and talk to them, long after finishing the book. And amidst all the snow and storms of winter there is catharsis like in a Greek drama and the main characters are able to face their choices of the past and turn to a better and happier tomorrow. Time for summer in Maine.

Kurzbeschreibung A village on the coast of Maine holds painful secrets the kind only the miracle of new love can heal. Tormented by her fiancé's death, Tess Johansen escapes to the only place that can still comfort her the Spinnaker Inn in coastal Maine. Here in this place by the sea she feels close enough to the man she lost to numb the pain, if not the guilt. For local craftsman, Evan Marston, the ramshackle inn serves only as a grim reminder of the accident that shattered his life and killed the woman he once loved. But while the Spinnaker's walls may hold guilt and grief and suspicion, they might also house a bright new spark. Drawn together by a love they never expected, Tess and Evan begin to unravel the mysteries of their pasts and question the miracle at work in their wounded hearts until one fateful evening along a snow fence road.
