Von Rosamunde Pilcher : Snow In April before purchasing it in order to gage whether or not it would be worth my time, and all praised Snow In April:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. a

heartwarming story Von ilseRiley As usual Rosamunde Pilcher manages to tell a tale both in a comfortable way and with underlying excitement. I can only recommend it. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Snow in April Von Ein Kunde I loved this book, as I have the other 4 Pilcher books that I have read. Pilcher takes you into her world, and you feel the vulnerability, the joy, pain, and everything in between of her characters in this book. Her descriptions of the countryside are superb.

Kurzbeschreibung In Snow in April, Caroline travels to Scotland, hoping to make contact with a brother she hasn't seen for years, and return in time for her wedding to the man her strong-willed stepmother thought so suitable. Then a sudden snow strands her in an isolated house with a young man recovering from tragedy. Both are on the brink of terrible mistakes, but perhaps they can save each other. When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another—the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us....
de Unsure of her impending marriage, Caroline Cliburn travels to Scotland with her younger brother Jody in tow to rethink her feelings and investigate her older brother's disappearance. An inexperienced driver, Caroline crashes during an unexpected snowstorm. Virtually uninjured from the accident, Caroline and Jody walk to the nearest home, which happens to be the estate of Oliver Cairney, a wealthy London businessman who is in town taking care of his deceased brother's affairs. Oliver graciously asks the two to spend the night, and it is obvious from the start that the wealthy Londoner has eyes for Caroline. But when a neighbor thwarts any romance between the two by informing Caroline that Oliver is practically engaged, Caroline and Jody leave hastily, without even saying goodbye. But love always finds a way, and Caroline's sudden illness throws the two would-be lovers together once more. At only 245 pages, Snow in April may be the perfect starting point for those readers intimidated by Pilcher's lengthier prose. Even in this early work, it is easy to see why she has become a much-loved storyteller in her native Scotland and throughout the world. Snow in April is a sweet, touching read, sure to be enjoyed by connoisseurs of love stories everywhere.
