**Von Diana Palmer : Snow Kisses** before purchasing it in order to gage whether or not it would be worth my time, and all praised Snow Kisses:

Rezension hilfreich. A sweet story... Von Ein Kunde This is such a lovely little book. Though there're no stunning plot twists or desperate revelations, it manages to be poignant and even amusing. I think it is one of Diana Palmer's better efforts, with more depth to the characters than the average blonde-ingenuie-and-brooding-rancher novella... "Snow Kisses" is one of those books I dig out every few months for a good re-read, and I love it every time as much as the first.

Kurzbeschreibung Don't miss a reader-favorite tale from New York Times bestselling author Diana Palmer of second-chance love on the range When Abby Shane went home to the Big Sky Country she'd always loved, she seemed more like a wounded bird than a glamorous fashion model. After what had happened in New York, she could never let any man near her again. But Cade McLaren was not just another man. In his powerful arms, Abby began to move past her terror and enjoy his touch. If only his attentions stemmed from love instead of pity. Abby didn't want Cade's charity. She hungered for that other, all-consuming blaze of love she'd sparked in him one summer night a lifetime ago.
